Ocean View Home: This beautiful house, designed by the owner, has one of the most spectacular ocean views of the region. The property has three buildings plus the swimming pool. The master house has 2 comfortable bedrooms, 1.5 baths, living dining room, kitchen, basement with garage and laundry area, ceramic tile floor all over, real wood ceiling, fine finishes and more. The pool was built by a professional company from San José. It has a total area of 680 sq.ft. In front of the swimming pool and with the spectacular view of the Manuel Antonio Cape is the Pool House, a nice open space with kitchen and bathroom. This property has 12 acres of land with lots of fruit trees such as bananas, oranges, lemons and more, hardwood trees and some undeveloped land. Some sections of natural forest remain on the property. The third house is a small construction for caretakers, with living area, kitchen, bedroom and bathroom. This piece of paradise is located just 10 miles away from Dominical Beach, and minutes from San Isidro.

Asking: \$470,000 USD

Valley View Farm, located just 15 minutes North of San Isidro de El General. A total land of 24 acres, with oranges, lemons, yucca, coffee and more: 500 hardwood trees, riverside land, spring water source, electricity. 2 story concrete construction house with 2 bedrooms, 2 bathrooms, ceramic tile floors, terrace, storage and more.

Asking: 120,000 USD.

Business Potential, Building for restaurant located close to San Isidro Downtown. First level with kitchen, hall, bar and 4 baths. Second level is an apartment with 1 bedroom, 1 bathroom. The total 33,800 sq.ft. Land has a great potential for developing a nice hotel. The property is located close to the way to Dominical Beach and San Isidro.

Asking: \$175,000 USD.

San Gerardo of Rivas, Home located in the mountains of the Cordillera of Talamanca, at 4,500 feet of altitude. This house is 45 minutes drive from San Isidro de El General. The 4.17 acre property has fruit trees, water streams, berries and this beautiful home with 1 bed, 1 bath, loft, kitchen, living dining room, laundry, storage and more.

Asking: \$55,000 USD.

Mountain View Farm, this 24 acre farm is located just 25 minutes away from Dominical Beach. The farm has 600 Teak trees, many fruit trees, pastures land, a small section of natural virgin forest, a water stream, spring water, electricity and a wooden house located on a nice windy hill with view over the mountains next to the Pacific Ocean.

Asking \$130,000 USD.
