

Windows: the Eyes of your Home

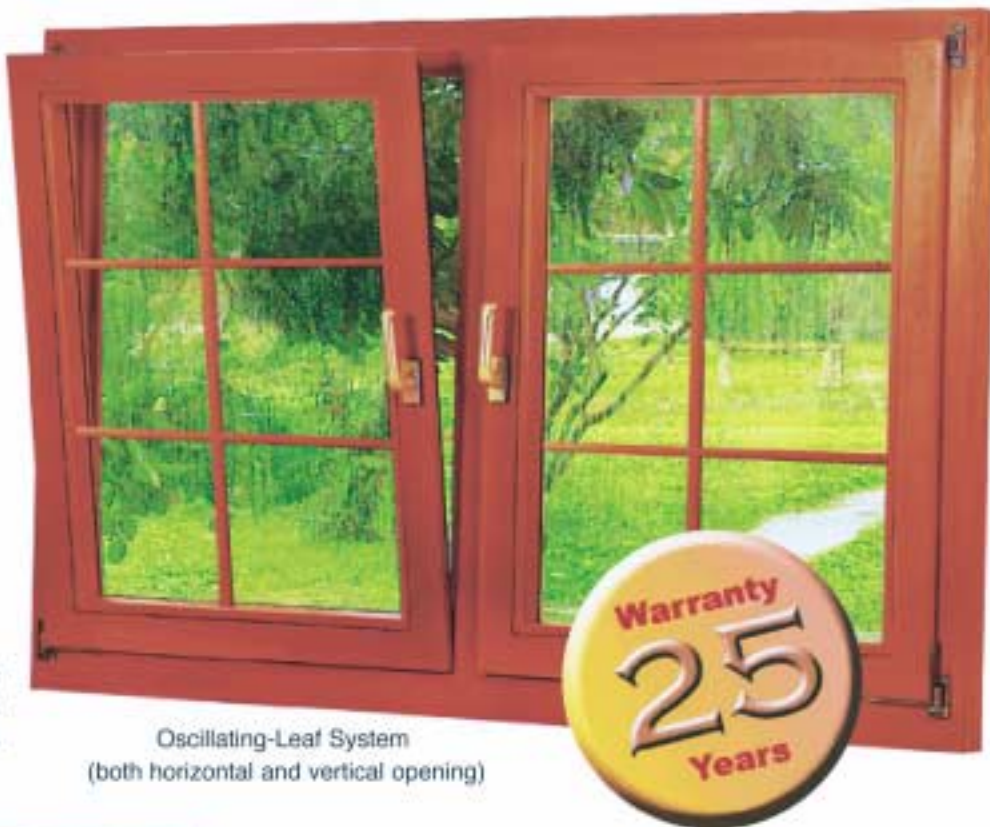

Wood, nature's gift that adorns your home with incomparable beauty.

European Line of Oscillating-Leaf Oak Windows crafted with German Technology

1. Available in Oak or Meranti Wood
2. Long-lasting European lacquer protects against ultraviolet light
3. Seal around entire window
4. Locks and handles included
5. Installation included

25-Year Guarantee for the Life of the Wood

• Our Oscillating-Leaf Windows come with or without trellises and in any design. Each window is carefully crafted with layered, finished wood imported from Germany.

Oscillating-Leaf System
(both horizontal and vertical opening)

Exclusive two-way air flow design

In the vertical position the window produces two distinct effects: warm air flows outward, while cool air flows inward.
