

There is only one Riviera in Costa Rica. Own a piece before its too late.

Flamingo Cove is part of the largest privately held estate in Flamingo. This is a new development in Costa Rica's most sought after beach destination.

If you are looking for the ultimate beach living with a picture perfect sunset view there is no point in looking elsewhere. White sand and flagged beaches down the path and a marina around the corner, Flamingo has all that you have ever wished for.

First time available "Equestrian Home Sites" located in the heart of Playa Flamingo. This area, part of the Osborne Family Estate has been master planned for an Equestrian Community and includes the "Flamingo Equestrian Center" which will provide stables and horse care, a covered ring, a jumping area, and lesson ring. U.S. instructor Amanda Gardner is the resident trainer and teaches dressage, hunter/jumper and will introduce Eventing to Costa Rica. The Equestrian Lots are located in the center of Flamingo placing you minutes from the Marina Flamingo and the beautiful Flamingo Beach. This community will be one of a kind for horse enthusiasts wishing to enjoy the rural life of Guanacaste in the paradise of Flamingo Beach.
