The Osa Peninsula: Costa Rica's last frontier and best kept secret!

The Osa is Costa Rica's most spectacular region where you will find pristine beaches, virgin forests and wildlife so abundant that you still see the rare Scarlet Macaws flying around, even in the towns. You will find a friendly mix of people who have discovered that life in the Osa is like nowhere else on earth. Come see if this lifestyle is for you; and contact us for more information about the Osa Peninsula and the many properties we have to offer.
