

Condominio LOMA VERDE

An Exclusive Private Development

Located in Costa Rica's northwest province of Guanacaste. Approximately 5 minutes from the Ocean, this lush tropical community consists of only 43 building lots on paved streets with all utilities provided. Project amenities include a 90,000 gallon swimming pool, common green areas, and 24-hour security. The Master Plan includes designs for a full service Club House, Jacuzzi, Tennis and Squash Courts.

Homes can be constructed in various styles, one and two level, with spacious living areas, patios, and terraces. If you are looking for a peaceful and secure place to live, either for your primary or vacation residence, with convenient services and facilities close by, then consider Loma Verde in Costa Rica, where the cost of living is low but the standards are high. We can provide you with a list of well recognized architects in Costa Rica who specialize in beach houses.
